

Viva Cirquans

Ramapo Cirque is a vale of undulations and sinewy streets,

A basket of flowers and arrays of quiet cute houses.

It has a village's unpretentious exuberance,

And a cosmic skyline to hypnotize us.

Smart amenities to put us in cool comfort,

And gentle people to befriend.

Now we are opening doors to a new culture,

Where indifference and isolation will become history.

All families will become wheels on the new road,

Where we will find a future of warmth and indulgence.

New Cirque will be more benign, interactive, and creative,

A community will be born instead of a condo it has been.

Hail hail Cirquans the moment to change has been ushered,

We will forget the past and make the future our road ahead.

Notes:

1. I live in a community of town houses, run by a home owners association,
in Suffern, New York.
2. I have coined the word Cirquans for the people who live in Ramapo
Cirque.
